PRODUCT LIST

BROKIS
Name	SFERA 300
Type	pendent lamp
ID	PC1170

Description A sphere as a universal shape, yet whose upper section has been dramatically severed. The clean cut comprises the main characteristic of the project light Sfera – a timeless piece that casts a soft light from within handblown matte opal glass. The sphere, affixed to a metal top with a subtle multiangular detail, comes in seven sizes for multiple combinations, thanks to which the collection can be easily configured to meet the specific needs of any architectural or residential project. The Sfera collection features innovative connectors specially developed by Brokis, which allow for easy installation, maintenance, and cleaning. They also make it possible rearrange an installation without having to access building wiring, opening the door to a wide range of possibilities.
