

Libertà assoluta, spazialità assoluta, creatività assoluta. / Absolute freedom, absolute spatiality, absolute creativity.

La possibilità di portare la luce ovunque, liberamente.

The possibility to take light anywhere, freely.

La tecnologia aiuta a cancellare i confini.

Technology helps to break down the boundaries.

Materiali impalpabili, talvolta invisibili, conduttori nascosti, travestiti, ragnatele sottili di filamenti che conducono e disegnano la luce.

Intangible, almost invisible materials, hidden, camouflages conductors, thin cobwebs of filaments that carry and draw the light.

Luce che corre su binari digitali, su fili leggeri e quasi invisibili, su nastri modulabili che possono posarsi su scale, finestre, vetrate, senza più limiti.

Light running on digital tracks, ultra-light and almost invisible wires, modular tapes that can be laid limitlessly on stairs, windows, glass panels.

Circuiti che si chiudono, luci d'accento, diodi leggerissimi.

Circuit that close, accent lighting, ultra-light diodes.

Tutto questo è **Sistemi**, una struttura che integra quattro diversi progetti, modulabili e compatibili tra loro.

All this is **Sistemi**, a structure integrating four different, modular and compatible designs.

The sizes are expressed in millimeters.
